7. NONSENSE AND SILLY TALK

1. Have you ever seen a snake wear mittens
or a pair of roller skates on kittens?
Or have you ever seen a chocolate cake fly
or bats with purple eyes?
Have you ever seen a fish wear sneakers
or a flea eat a bag of peaches?
Or have you ever seen a duck play a guitar
or an elephant driving a car?

CHORUS: Nonsense and silly talk
will cheer you up when you feel blue.
But when somebody needs your help,
silly talk won't do. Uh-uh!
silly talk won't do.

2. Have you ever seen a sailboat walking
or a lobster wear a pair of stockings?
Or do you wash your milk so you can keep it clean?
Do you brush your teeth with gasoline?
Have you ever seen a shark wear glasses
or a sea gull try to kiss molasses?
Or have you ever seen a yo yo eat a hat
or a Christmas tree chasing a cat?
Repeat CHORUS 2x

8. I SURE HAVE GOT A LOOSE TOOTH

1. I sure have got a loose tooth.
It still won't come out, that's the truth.
I twist it to the left, I twist to the right,
I wiggle it day and night.
And my tooth is losing its bite.
2. I asked my friend and he said:
"Go tie your loose tooth to the bed."
And so I tied my tooth and from the bed I flew.
I headed straight for the door.
The string broke - I fell on the floor.
3. One loose tooth that won't come out.
Stubborn it is without doubt.
I bend it down in front, I bend it down in back.
I finally twist it around.
My tooth pops out making this sound

9. LATE AT NIGHT WHEN I'M HUNGRY

Late at night when I'm hungry,
I sneak downstairs to the kitchen.
Cookies and milk when I'm hungry,
I'll find downstairs in the kitchen.
Let's wake up.

I climb right out of bed.
I open up my door.
I tiptoe past my parents' room.
I stomp right past my brother's room.
I snap my fingers past my sister's room.
I squeak, squeak, squeak past the baby's room.

I walk right down the stairs.
It's dark but I'm not scared.
I take three hops.
I snap on the lights,
Oh, I'm in the kitchen, it's the middle of the night .

Cookies and milk taste so fine
late at night in the kitchen.
Cookies and milk taste divine
late at night in the kitchen.

Spoken: This is so much fun eating cookies
this late at night.
U-m-m-m! Are they good!

Okay, the cookies and milk are all gone.
What are we going to do now?
Go back to bed.
Here we go now.
I snap off the lights.
I take three hops.
It's dark but I'm not scared.
So I walk back up the stairs.
I squeak, squeak, squeak past the baby's room.
I snap my fingers past my sister's room.
I stomp right past my brother's room.
I tiptoe past my parents' room.
I open my door.

I climb right into bed.
I say goodnight to the stars.
I say goodnight to the moon.
I say goodnight to my fish.
I say goodnight to my toes.
I say goodnight to my stomach.
I go back to sleep, it's the middle of the night.

10. YESTERDAY I GAVE AWAY MY BROTHER (NOT REALLY)

I didn't tell my father or my mother.
It felt so good to give away my brother.
And I never want to get him back.

But he's never nice to me.
He puts worms on my head and frogs in
my bed.
He's painted my glasses, now I can't see.

Repeat CHORUS

2. My brother treats me like his punching bag
whenever he gets mad.
He always thinks he knows it all.
Now he's the best enemy I've ever had.

and never wants to give them back.
But when I ask to use something of his,
he always says "Get lost!"

4. My brother's gone now and I'm not sure that this is how it ought to be.
It's quiet and dull around the house.
Now I kind of miss my brother bothering me.

CHORUS: Yesterday I gave away my brother.
I didn't tell my father or my mother.
It felt so good to give away my brother
but I think I want him back.
Yes, I know I want to get him back.
RIGHT NOW!

11. FROGS IN THE ROAD

1. Frogs in the road, it's a rainy night.
Jumping around in the rainy night.
Frogs in the road, it's a rainy night.
2. Frogs in the road, leaping one by one.
Every time it rains we have so much fun.
Frogs in the road, it's a rainy night.

CHORUS: "Ribet," said the frogs as they leaped up high,
laughing and leaping from side to side,
splishing and splashing in the road so wide
on a rainy night.

3. Frogs in the road, leaping two by two.
Don't let a car run over you.
Frogs in the road, it's a rainy night.
4. Frogs in the road, leaping three by three.
Come along and join our jamboree.
Frogs in the road, it's a rainy night.

Repeat CHORUS

Banjo solo

Repeat CHORUS

5. Frogs in the road, leaping four by four.
Let's keep doing this more and more.
Frogs in the road, it's a rainy night.

6. Frogs in the road, it's a rainy night.
Jumping around in the rainy night.
Frogs in the road, it's a rainy night.

12. WHEN YOU'RE FEELING GOOD INSIDE

1. When you're feeling good inside,
there's no way to conceal it
It's all written on your face.
There's no one who can steal it.
You feel like you're walking on air,
not a care will bind you.
What else is there that compares
to that happiness inside you?
2. When you're feeling good inside,
there are ways you can show it.
You can lay it on your friends.
They'll be glad and you'll know it.
Now, take someone right by the hand.
Listen to the band, you feel happy.
Kick up your heels and just dance.
Sweet romance! You're happy.

Guitar solo

Repeat Verse 2

3. When you're feeling good inside,
there's no way to conceal it.
It's all written on your face.
There's no one who can steal it.
You feel like you're walking on air,
not a care that will bind you.
What else is there that compares
to that happiness inside you?
4. When you're feeling good inside,
hope it stays through tomorrow.
You've a priceless pair of wings
when you're not feeling sorrow.
You see the world differently.
You feel free, you feel snappy.
Life is for both you and me.
Here's the key:
Be happy. Feeling good inside.
Be happy. Feeling good inside.
Be happy. Feeling good inside.
Be happy.
